- 
- EDE

## Obstacles to Achieving Priorities:

### **PSAV Secretariat**

- Long-term action plan
- Stable budget issues
- Commitment of participation and contribution from members
- Mechanism to promote the involvement of both public and private partners

### **PPP Projects**

- Lack of long-term action plan
- Commitment and participation in projects
- Limited experiences and capacities to promote agricultural PPP projects
- Scaling up issues
- M&E, performance measurement

### **Linkage and Cooperation**

- Limited participation of domestic enterprises
- Limited inter-ministerial cooperation in PPP implementation

# Action Plan for PSAV Secretariat

- Develop PSAV strategy and action plan for 2020 – 2025, vision to 2030
- General Meeting and Mid- year Meeting
- Communication Activities
- Learning and Sharing event; and PPP Dialogue event
- Stakeholder Engagement (focusing on domestic companies)
- Support to review, restructure and consolidate TFs and TF's members
- Develop the M&E system focusing on PPP impact
- Research on scaling up of PPP projects
- Leverage more donor funding
